For Everything There is a Time ... Through this theme, we, the staff of the 1969 Liberanni, have tried to show that our school does not only provide a time for questioning and learning; it also provides students with a time to pursue and develop interests, and to grow socially. In presenting this yearbook, we are not trying to cover each specific event of the school year - rather we are trying to picture the essence of the year. We hope that this book will give you a lasting impression of 1969.

## *For Everything There Is a Time . . .*

"For everything there is a season, and a time for every matter under heaven; a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance; a time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; a time to seek, and a time to lose; a time to keep, and a time to cast away; a time to rend, and a time to sew; a time to keep silence, and a time to speak; a time to love, and a time to hate; a time for war, and a time for peace."
